ON THE DAY OF YOUR DISCHARGE FROM CEDAR WARD

Whilst awaiting delivery of your tablets, or the arrival of transport to take you home, you may be asked to wait in the Discharge Lounge.

OUTPATIENT APPOINTMENTS

When you leave hospital, in order that the Consultant can keep an eye on your condition, you may be required to come back to an Outpatient's appointment.

If you do, the appointment will be booked for you, and you will receive a card telling you when and where to go.

Please speak to the Nurse in charge if you are concerned about any aspect of your, or your relative's care.

WARD CLERK

The Ward Clerk, who will be pleased to answer any questions you may have, will be available between 08.00 and 16.00 hours, Monday to Friday.

STAFF

The day-to-day management of the ward is carried out by a ward sister, leading a team of dedicated nurses, all of whom will endeavour to make your stay in hospital as comfortable as possible.

The name of the nurse in charge of looking after you will be written on a board at the nurses station daily.

YOUR MEDICAL CONSULTANT IS A SPECIALIST IN ENDOCRINOLOGY AND RHEUMATOLOGY

The Consultant in charge of your care is supported by a medical team who are entirely based on the ward. A Registrar leads the team of Senior and Junior House Officers and is available to answer the majority of your medical questions or concerns (Monday – Friday 09.00 – 17.00 hours).

A Medical Support Worker, who assists the Consultants, is allocated to the Care Team on the ward and may be able to assist with general enquiries.

A member of your team of Doctors will see you daily on weekdays.

Should a relative wish to speak to one of the Doctors (with your permission), or make an appointment to see the Consultant, please ask at the Nurses Station.

A trolley selling snacks, magazines and drinks visits the ward Monday to Friday. There is a League of Friends cafeteria and a

shop in the Outpatient area which is open 09.00 – 17.00 hours, Monday to Friday.

If you have concerns about help with feeding, please let the Nurses know. After discussion with the nurse in charge, relatives are also most welcome to come at meal times to assist.

PROPERTY AND VALUABLES

We ask that valuables and large amounts of money are not kept on the ward.

All your property will be recorded on a property list when you are admitted to Cedar Ward, and any money you do have can be kept in the ward safe for a maximum of 24hrs should you so wish.

Whilst you are in hospital, please feel free to ask relatives to bring in clothes and toiletries.

We like our patients to feel as comfortable as possible and it is surprising how being dressed in your own clothes can make you feel better.

Unfortunately we do not have laundry facilities in the hospital. If you wish to bring books or magazines with you, please feel free to do so. There is a cupboard behind your bed that is ideal for storing personal belongings.
