Removable Appliances

1. Wear the removable brace as instructed full time including eating, since the brace only works when it is in your mouth.
2. Take the brace out for cleaning your teeth, for contact sports and for swimming when it should be kept safely in a container.
3. Clean the brace thoroughly with toothbrush and toothpaste everyday.
4. The brace may cause some discomfort and speech difficulties for the first 4 - 5 days, but this will improve with time and perseverance.
5. If you have any problems with the appliance, please contact the department immediately on **01784 884650**.

Please note:

If you lose your removable appliance, there will be a charge of £76.40 for each appliance lost, i.e. if you lose both appliances it will be £152.80
