

Welcome to St. Peter's Hospital

Information to help you when you arrive for your outpatient appointment

What to do when you arrive

Please go directly to the department / reception area as indicated on your appointment letter.

If you are unsure where this is, please ask at main reception. If you have been out of the country for more than 12 months, please show your passport and EHIC card when you arrive.

How to reach us

By bus: St Peter's Hospital is served by the following bus routes – 446; 461; 459; 557. For more details on public transport services please call Traveline on 0871 200 2233 or see www.traveline.org.uk

By car: At peak times you may find it helpful to allow extra time for parking.

Patient/visitor parking is situated in a number of places (see map). These include pay and display and barriered pay on exit car parks. There are a number of disabled bays close to hospital entrances.

Unless you are visiting out of peak weekday hours we recommend you park in the main Outpatients visitor car park where most spaces are available.

Parking charges are FREE for the first 20 minutes and then start at £3.50 for up to 2 hours, increasing by £1 an hour up to six hours. Our parking machines accept the following coins: 10p, 20p, 50p, £1 and £2; and also £5, £10 and £20 notes. Credit/debit cards are accepted by the pay stations. See our website for details of concessions – address overleaf.

If you are in receipt of certain benefits you may be able to claim back your travel costs/parking charges - please ask at our main reception desks if you need further information, see our leaflet *Help in travelling to hospital* or visit the NHS Choices website. Cycling and motorcycle parking facilities are also available.

If you have special needs

If you have any particular needs, please contact the Patient Advice and Liaison Service (PALS) on 01932 723553 between 10am and 3pm Mon-Fri and we will make arrangements to help you. All clinics are wheelchair friendly and all areas can be accessed via a lift. Coin operated (£1 coin) wheelchairs are available on arrival – please ask at main reception.

Leaving your clinic appointment

It is very important to see the receptionist at the clinic before you leave, even if the doctor has discharged you, so that any further arrangements can be made.

Controlling infection

We take our responsibility towards infection control very seriously. Please use the hand gels provided to clean your hands on entering hospital. If you want to check that staff have washed their hands, just ask. They will not be offended.

Smoking

We have a **no smoking** policy at both hospitals, including the grounds – please respect this. If you need help to quit smoking, we offer a referral service – please ask.

Use of mobile phones

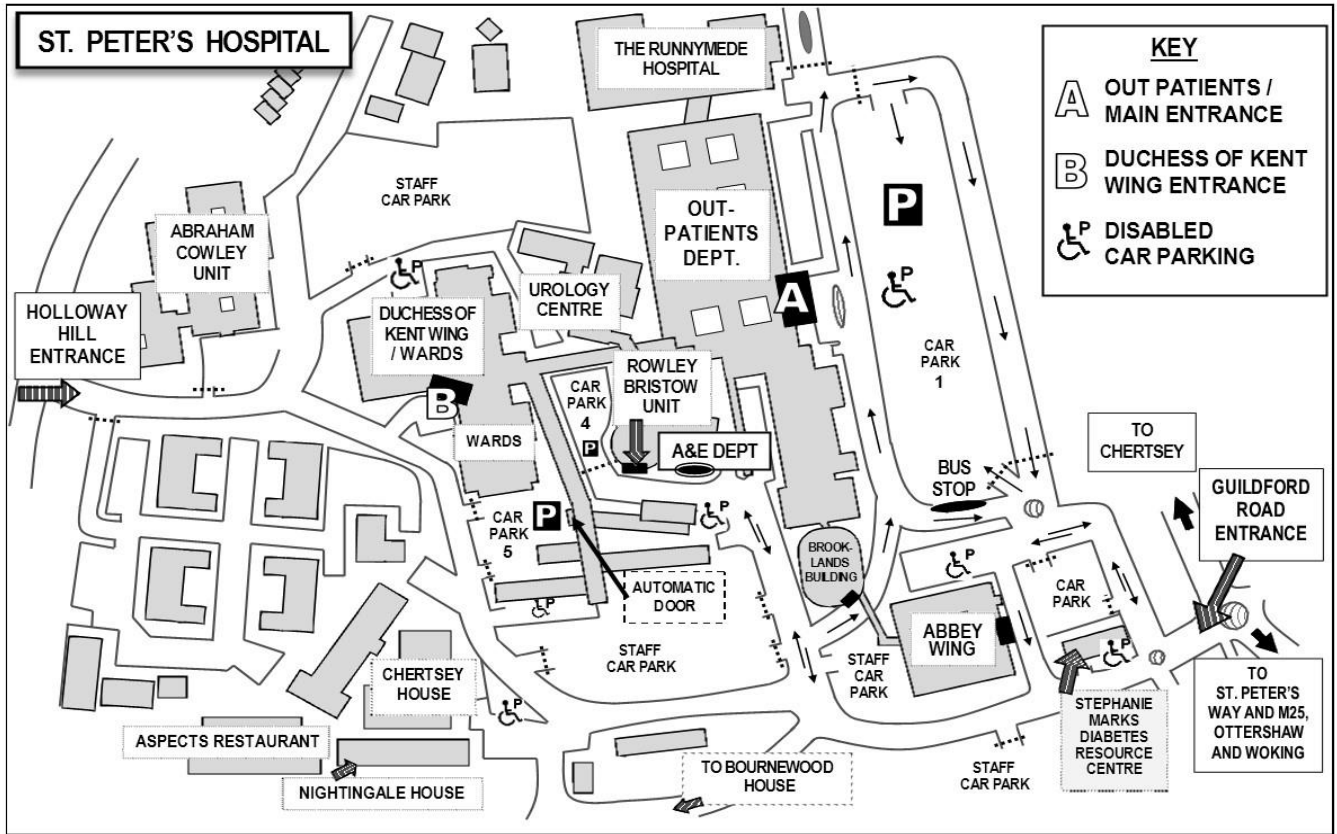

If you have a mobile phone we would ask that you switch it off when you are waiting for your appointment and during your consultation.

Research

The Trust is involved in many Clinical Trials across most of our specialities. During your visit you may be offered the opportunity, by your consultant, to consider participation in a Clinical Trial relevant to your condition.

For more information about Clinical Trials, please see our website:

www.ashfordstpeters.nhs.uk/research

Further Information

We endeavour to provide an excellent service at all times, but should you have any concerns please, in the first instance, raise these with the Clinical Nurse Leader, Senior Nurse or Manager on duty. If they cannot resolve your concern, please contact our Patient Experience Team on 01932 723553 or email patient.advice@asph.nhs.uk. If you remain concerned, the team can also advise upon how to make a formal complaint.
