

## Caring for the **Spiritualist** Patient

**Spiritualism embodies the main ideas of other religions, such as the existence of God and life after death. But the Spiritualist believes that communication beyond the grave can be facilitated through Mediums.**

The Spiritualist patient may request a Healer for treatment alongside medical treatment. This will include the laying on of hands and privacy will be needed as far as possible.

### **SPECIAL CONSIDERATIONS**

There are no special **DIETARY** requirements, no objections to **ORGAN DONATION / TRANSPLANT** or **POSTMORTEM**s.

### **LAST OFFICES**

Routine LAST OFFICES may be performed.

**EVERY SPIRITUALIST PATIENT IS AN INDIVIDUAL AND PRACTICE MAY VARY**
